

PRIMAVERA

VERÃO

22
/23

Braziline[®]

Sua paixão, nossa inspiração.

The background is a dark, textured surface, possibly black or very dark grey, with numerous fine white scratches and dust specks scattered across it. On the right side, there are large, sweeping, white brushstrokes that create a sense of movement and depth. On the left side, there are several bright, irregular splatters of color, including yellow, green, and brown, which appear to be paint or ink. The overall composition is abstract and dynamic, with a strong contrast between the dark background and the bright colors and white strokes.

O futebol, paixão nacional, já nasce no sangue de qualquer brasileiro. Desde pequeno, com uma bola e alguns amigos, qualquer lugar se torna ideal para uma partida. As ruas, tema que inspira nossa coleção primavera/verão 22-23, já foi e ainda é, o cenário protagonista desta paixão.
